

HARRIS CENTER
FOR CONSERVATION EDUCATION

Directions to the Harris Center for Conservation Education
83 King's Highway, Hancock, NH
525-3394

From Concord take Route 89 North to Route 9 West and 202 towards Hillsboro. In Hillsboro take 202 South towards Peterborough. Follow 202 through Antrim. About 3 miles from Antrim take a right onto Route 137 into Hancock. Route 137 intersects Main Street in Hancock. Bear right on Main St.. Go straight down Main St. (this is also Route 123). Stay straight on Route 123 past the church and post office on your right. Follow Route 123 for 2-3 miles and bear left onto Hunt's Pond Road. Follow the directions below from Route 123 East and West.

From Keene take Route 9 East past Munsonville. Bear right on Route 123 towards Hancock. Follow Route 123 about 5 miles to Hunt's Pond Road. Turn right on Hunt's Pond Road and follow the directions below from Route 123 East and West.

From Peterborough take Route 202 North past ConVal High School towards Hancock. 4 miles beyond ConVal bear left onto Route 123 to Hancock. At the stop sign in Hancock bear left down Main St. Continue straight on Main St. (this is still Route 123) past the church and post office on your right. Follow Route 123 for 2 miles and bear left onto Hunt's Pond Road. Follow directions below.

From Route 123 East and West take Hunt's Pond Road for about .4 mile and turn left onto King's Highway. Follow King's Highway for .7 mile and the Harris Center is on your left. There are green and white signs for the Center from the center of Hancock.
